Architecturally designed and built by award-winning builders Banyan Constructions, this north-facing 3-bedroom ensuite townhome offers the ultimate in living for everyone.

If you are looking to downsize from your large family home or wanting a property that offers you a lifestyle that you can lock up and leave, this unique townhome offers the owner the opportunity to use the private lift to take you to each level of the property or the option of using the stairs.

All this with a high level of inclusions including:

- Ideally orientated for warm winters and cool summers;
- Double glazed windows and doors;
